

# PROSPER

Prosper is the leading resource for the established Amazon seller who is looking to learn how to grow their business by partnering with leading solution and service providers. By exhibiting at Prosper Show or taking part in our opportunities to connect with our audience year-round, you can expect access to a unique group of top Amazon sellers and industry leaders.

## Year-round Opportunities

Amazon sellers are requesting more opportunities to network and interact with one another, given the current industry climate. In response, we have added many more ways to help you stand out in front of our sellers!

Prosper wants to help you differentiate your brand above the rest and stand out amongst your competition. We offer an array of thought leadership and branding opportunities, year-round, to help position your brand in front of our engaged community of top Amazon sellers.

## Get more exposure at the show!

Sponsorships are one of the most cost-effective ways to stand out from the competition. As an exhibitor at Prosper Show, you can maximize ROI and connect with attendees by choosing from a range of opportunities to suit your budget. Select from an array of high-impact sponsorship packages, build your presence from our à la carte menu, or work with us to create a tailored opportunity.
